## FEAR PRICE.

## Unregistered Chinese Say Pictures Too Costly.

#### WHY THEY ARE HOLDING ALOOF

Council General, Yang Wei Pin, Issues a Reasonning Proclamation to this People.

School Lines com of House Chamese on Only have not regimered, as regained to do under the Eixcloses Acr, and the time will expire early in Jame. If by trust divor responsation or not recognished the have of the Brutest States will have

one full-facult and the sther in profile, nome and entertainment does not be-to action to the semificiate. But plus come a burden, says the St. Louis Star. of procedure. Later he sent out an "Ye They want an anger for three and then she fits into the established routine in representatives of China the world over. "Yes'm. a studier on the mail. Three pictures a pleasant, unobtrusive manner. The In this edict His Majesty declared that for a dullar scribe the appearance Chinese hours of rising and retiring should coin- all foreigners, including missionaries, some 14,000 Chinese are still shy of the should be the invariable rule,

audique to have his asustrymen keep out of produce with the authorities. When a representative of the Adveragent him yesterday the

Commit wood, throward the interpreter: "I have sent a proclamation to the printer and it will be out in a day or two. I regret that I have no English acautization, but —and here he produced a square, not-stiped, official-looking -"I will give you as good an idea HE I KEED OF HER CHESTERS."

This is what the interpreter brough

are as curious about our custon as we are about theirs, said the Em peror, does not make them enemies. When they come among the Chinese people let them always be treated as friends and neighbors. A further edict says that the Emperor will soon go

"to say that this change in the Imperiod policy is not at all que to the so-callee reformers. Leung Chi-tso, who was here collecting money, is now one of the Boxers and is largely accountable for the harm that has fallen upon Ching and missionaries alike. He is a disturber of the peace and is now trying to repeat, in South China, the injuries he and his have done in North China. Lately the Governor of Hunan Chang-Che-Tung, who knows Leung Chi-tso well, has reported his operations to the Government and an account o them has reached our Minister at Washington and through him has come to me. The Governor will see to the so-called 'reformer' and will not permit him to devastate the region where he is trying to organize his bandits

formers cannot reform anything. Chinere people are so many that they cannot get a hearing; but all Chinese listen to the sovereign and his advisers and when they declare for reform, as doing now, reform must
